Kindergarten Make a Card

You can choose the theme and borders of your card, add pictures or use the paintbrush to write your own message.

Grade 1 Colour Combo

This site will help you to explore what happens when you mix different colours together!

Grade 2 Cybermuseum.ca: Treasure Hunt

See the steps in creating an Inuit sculpture, and learn about its meaning.

Grade 3 Kidzness Card Maker

Choose images (resizeable), background shape and borders and add text to create your card.

Grade 4 thisissand

Press or double-click to start the sand. Move your cursor back and forth across the screen. Use the "c" on your keyboard to access different colours. Then, double-click to re-start the sand. You can capture your finished sand art.

Grade 5 Spin (Tate.org.uk)

Spin the wheel, choose colours and create your artwork. Your colours, spin speed and "brush" type are all in the tool palette.

Grade 6 Artopia: Sculpture

Choose from a variety of activities: view a one minute movie on the sculpture, be an art critic, meet an artist or explore the sculpture studio itself (carving, casting, Gallery 360 and modeling).

Grade 7

The Artist's Toolkit

Explore the Artist's Toolkit. Select a topic from the menu and then "watch" the example and "create" your own.

Grade 8

Lascaux - A Visit to the Cave

This is an amazing site, virtually exploring the Lascaux Cave in France with its prehistoric cave drawings. Click on the words "a visit to the cave" and begin your exploration. Don't miss the triangular tab on the left hand side of the screen that opens up all the documentation about the history, the setting and the various chambers of the cave.

Grade 9

Viscosity

"Viscosity is a modern art generator. People create art with viscosity. People browse art made with viscosity. People watch viscosity move. People learn about viscosity." [Site]

Grade 10

How to Draw Perspective

The video on this page "shows a very quick sketch of a room..that demonstrates the two point linear perspective." (site descr.) Then, the page offers descriptions and examples (with images) of the rules of linear perspective.

Grade 11

Memento Mori

This series of games and riddles is an exploration of the memento mori theme, which means "Remember that you must die." Learn about some pieces of artwork that embody this theme.

Grade 12

Ulluriat

Explore 28 pieces of Inuit art from the National Gallery. Click on a star or one of the images along the bottom to begin your exploration.
